Square Footage

Lodge interior: 4,000 square feet | 50' wide by 80' long

Lodge exterior - Deck: 4,090 square feet | 32' wide by 125' long (deck wraps around lodge)

Audio Visual

All layouts assume a 15' depth for screen viewing

Screen is 150' diameter | Projector is 3000 lumens and mounted - visible from all distances in the lodge

Connect to Five Oaks' system with VGA or HDMI (most adaptors available)

Two microphones available: handheld and lapel

Breakout Space

Two independent spaces available in the lodge, 15x12 and 12x10

Breakout vignettes may be created as well, if layout is not at max capacity

The lodge has soft seating, two sofas and club chairs, which may be used for breakout vignettes
